

Institute of Metallurgy and Materials Science of the Polish Academy of Sciences

JOB OFFER

Offer ID: post-doc/IMIM/ML/2019

Job Title: Postdoc

Requirements:

The candidate must have a doctoral degree which obtained no earlier than 7 years before the year of employment in the project and demonstrate :

- 1)) Knowledge and skills of conducting research in the field of materials and technologies used in perovskite cells confirmed by publications.
- 2) Ability to work in a chemical laboratory.
- 3) Knowledge of research techniques such as UV-VIS-NIR spectroscopy, scanning microscopy, XRD.
- 4) Experience in working in foreign laboratories.

Task description:

Under the project financed by the National Science Center (2018/31 / B / ST8 / 03294) "Preparation and characterization of new materials for perovskite solar cells" new halide perovskites for solar cells will be developed. The tasks will include: synthesis of perovskites and production of photovoltaic structures, testing structural and optoelectronic properties as well as electrical parameters of solar cells.

Main research fields: material engineering, chemistry, solid-state physics

Conditions of employment:

Type of contract: Temporary 12 months

Status: Full-time

Salary: about 8.300,00 PLN /month (gross per month).

Start date: November 2020

Additional information:

A person in a post-doc position may receive remuneration from the pool of full-time remuneration based on a full-time employment contract, provided that he or she meets the following conditions jointly:

- a) does not receive any other remuneration from the funds during the period of collecting this remuneration awarded as direct costs in NCN competitions.

b) during the period of receiving this remuneration, she is not employed under another contract about a job.

Submission of documents

Application deadline : January 10, 2020 at 12:00. Later applications will be not considered.

Form of submission of offers: sending in electronic form, specifying in the subject ID of the advertisement (in pdf format) to the following address: m.lipinski@imim.pl (prof. Marek Lipiński).

All materials should be submitted in electronic form to the address: m.lipinski@imim.pl (prof. Marek Lipiński) with Job ID in the subject.

Competition results: January 13, 2020 at 12:00.

Required documents:

- 1) Curriculum Vitae
- 2) List of publications with a list of scientific achievements (publications, conferences, project participation, awards, prizes, internships)
- 3) Copies of diplomas
- 4) Consent to the processing of personal data. The application should include: "I consent to the processing of my personal data for the purpose of recruitment in accordance with art. 6 clause 1 lit. a Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46 / EC (General Data Protection Regulation) "

Applications will be evaluated by a recruitment committee appointed by the IMIM PAS Director, consisting of the project manager as the chairman and at least two persons designated by him who have appropriate qualifications.

Candidates can obtain additional information about the subject of the project directly from the project manager (dr hab. Marek Lipiński, e-mail: m.lipinski@imim.pl).

INFORMATION CLAUSE

Under Art. 13 sections 1 and 2 of the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Resolution), EU OJ L 119 of 04.05.2016, page 1, as amended, hereinafter referred to as "GDPR", we hereby inform as follows:

1. The Data Controller of the provided personal data is the Institute of Metallurgy and Materials Science of Polish Academy of Sciences, Reymonta 25 St., 30-059 Kraków, NIP: 675-000-18-57, Regon: 000326374;
- 2) Contact details to the Data Protection Officer are as follows: e-mail iodo@imim.pl
3. Your personal data shall be processed for the purpose of carrying out the recruitment

process for the position of postdoc.

4. Processing of your personal data in scope of: full name, date of birth, correspondence address, information about education and course of past employment shall take place under Art. 22¹ § 1 of the Act of 26 June 1974 - Labour Code. In the scope in which you sent to us more personal data than indicated above, we process your data under the consent granted by you.

5. Your personal data shall be stored for 1 month from completion of the recruitment process. If you grant consent for processing of personal data for future recruitments, we shall process your data until withdrawal of the consent by you, however, no longer than for the period of 6 months from the day of submittal of the application by you.

6. Provision of the abovementioned data in the scope indicated above is a statutory requirement resulting from Art. 22 § 1 of the Act of 26 June 1974 - Labour Code, in the remaining scope it is voluntary. Failure to provide the data referred to in Art. 22¹ § 1 of the Act of 26 June 1974 – Labour Code precludes consideration of your candidacy for the offered position.

7. You have the right to access your personal data, to rectify them, erase them, restrict their processing.

8. You may submit a complaint to the Inspector General for the Protection of Personal Data.

9. You have the right to withdraw the consent to process your personal data in the scope in which they were provided at any time. Withdrawing the consent does not affect the lawfulness of processing carried out on the basis of consent before its withdrawal.
