

In-line processing of n+/p and p/p+ junction systems  
for cheap photovoltaic module production - Inline PV

## **Request for quotation no. ZO IMIM 2/1/2015 Project „InlinePV”**

**9 March 2015**

**(applies to: three complete screens for Screen Printing)**

### **I. PURCHASER**

Institute of Metallurgy and Materials Science  
Polish Academy of Sciences  
ul. Reymonta 25, 30-059 Kraków  
Poland  
NIP: PL6750001857, REGON: 000326374

### **II. OBJECT OF THE CONTRACT DESCRIPTION**

The object of the contract is purchase and delivery to the Purchaser complete 3 screens for Screen Printing (1- front electrode of the solar cell, 2- BSF and 3 – back contact), according to the after-mentioned parameters. The object of the contract is implemented as a part of Project „In-line processing of n+/p and p/p+ junction systems for cheap photovoltaic module production”

#### 1. Object of the contract detailed description:

- three screen printing frames - overall size 432x432 mm threads 4xM6, thread pitch 407x407mm, material: cast Aluminium,
- one stainless steel wire cloth - mesh count 300, SD 65x20, 22,5° high tension (for front),
- two stainless steel wire cloth - mesh count 230, SD 75x36 (or similar), 45° high tension (for BSF and back contact)
- three stainless steel wire cloth stretching into a frame,
- three coating of a photopolymer emulsion 30 µm into the screen,
- three developed and expose the film, 25-50.000 dpi,
- three screen imaging and development from the description of diameters,
- packing and freight to Poland.

2. In order to perform the contract, Purchaser shall provide the Contractor: *not applicable*.

3. Purchaser does not allow for partial offers.

4. Purchaser does not allow for the possibility of delegating to subcontractors all or part of the contract object.

This project is co-funded from Norway Grants in the Polish-Norwegian  
Research Programme operated by the National Centre for Research and Development

In-line processing of n+/p and p/p+ junction systems  
for cheap photovoltaic module production - Inline PV

### III. ORDER DELIVERY DATE

Up to **14 days** from the date of order submission.

### IV. METHOD OF THE OFFER PREPARATION

1. The offer must be made in the offer form, which constitutes Appendix No. 1 to the present request for quotation.
2. The offer must be sealed by the firm stamp (only in case, when the Contractor sends the offer by traditional mail)
3. The offer must have a date of the offer preparation.
4. The offer must contain address or headquarters of Contractor, e-mail address, telephone number and Taxpayer's Identification Number (TIN)
5. The offer must stipulate total product price net and total product price gross, including delivery costs, custom duties and any additional costs
6. The offer must be signed by the Contractor (only in case, when the Contractor sends the offer by traditional mail)

The price must be given in EURO or PLN (Polish Zloty), in numbers and in words. If it is a difference between price in numbers and price in words, the correct value will be that given in words.

### V. THE PLACE AND THE DATE OF OFFER SUBMISSION

1. The offer should be sent via email to the following address: [inlinepv@imim.pl](mailto:inlinepv@imim.pl) or it should be delivered by mail, by courier or delivered in person to the address of the Purchaser headquarters, not later than 20<sup>th</sup> March 2015 till 12:00.
2. The offers submitted after the deadline mentioned above will not be considered.
3. A Bidder may, before the deadline for submission of offers, make changes in own offer or withdraw its offer.
4. In the course of examination and evaluation of offers, the Purchaser may request the Bidders explanations concerning the content of submitted offers.

### VI. EVALUATION OF OFFERS

The evaluation of offers will take place on 20<sup>th</sup> September 2015, 13:00. The results will be announced on the same day, at the Purchaser headquarters.

The Purchaser will evaluate properly prepared offers (prepared in accordance with the requirements set out in point IV of this request for quotation), according to the following criteria: **BEST PRICE**.

**Appendix No. 1 Inquiry form**

According to the Request for quotation no. ZO IMIM 2/1/2015 Project „InlinePV” concerning purchase and delivery three complete screens for screen printing, according to the specification stipulated in this request, hereby we submit the offer.

**NAME AND ADDRESS OF CONTRACTOR:**

COMPANY NAME ..... TIN.....

COMPANY ADDRESS .....

TEL. NO. .... FAX NO. ....

COMPANY E-MAIL.....

OBJECT OF THE CONTRACT (product name, product model, product type, product catalogue no. etc.)

.....  
.....  
.....

We will implement the contract as a whole for the price:

Net Price: .....

Gross Price: .....

Gross Price in words: .....

The above mentioned price includes VAT at ..... % videlicet .....PLN

Hereby, we declare that:

- a) We have read the detailed specifications of the contract and we do not raise any objections to this document, as well as we have the necessary information to prepare the offer
- b) We accept the date of delivery stipulated in the request for quotation
- c) We are entitled to participate in legal transactions
- d) We have the necessary technical and material resources for the proper performance of the contract
- e) We consider ourselves bound by this offer for a period of 14 days from the date of its submission
